

What is the East Porpoise Ratepayers Association?

The EPBRA was formed to fulfill the following purposes:

To press concerns pertaining to the area represented, for the benefit of the owners

To improve and maintain quality of life for residents in the East Porpoise Bay area or elsewhere as may be determined by the Directors of the Association

To promote community spirit and pride among East Porpoise Bay residents through cooperative community activities

To monitor District of Sechelt Council and Sunshine Coast Regional District Meetings and/or Minutes for items or issues relating directly or indirectly to the welfare of property owners in East Porpoise Bay

To promote the environmental and ecological well-being of Sechelt Inlet and in particular Porpoise Bay

How does it all work?

The Executive of the EPBRA is elected every year at the Annual General meeting which is open to all members. The Executive then meets every month to review correspondence and deal with issues requiring attention. They routinely attend Sechelt Community Associations Forum meetings, Sechelt Council meetings, public forums, CAL public meetings, etc. and report the results in the monthly minutes.

The EPBRA, through the Sechelt Community Associations Forum, operates a website containing much information including copies of correspondence, reports on ongoing projects and other useful information.

The EPBRA continually looks for ways to successfully act in the interest of the community. While we continue to struggle with the District over usage at the foot of Kontiki Road we have been successful in obtaining \$5,000. for improvements to this beach access.

Join now and help the EPBRA look after your interests within this great community!

WE THANK YOU

Why join the EPBRA?

- EPBRA is the community association recognized by the District of Sechelt to represent the East Porpoise Bay area
